Subject: Invitation to join **DRMC National Art Festival**

Dear Sir/Madam,

I, on behalf of Remians Art Club of Dhaka Residential Model College, am inviting Your college to participate in our 3-days Art festival named as **DRMC National Art Festival-2020**, that will begin from 12th March and end on 14th March 2020. We would be conducting all kinds of art and cultural events in our fest so that students from your college can participate in any event they wish. However, the participants' names should reach us two days prior to the commencement of the fest. So it is an earnest request that if your college is participating, we would require the names of participants as early as possible.

Above all, we invite your college once again to participate in the event and make it a grand success.

Thank You.

Truly Yours

Nurun Nahar
